

English

Display the marker on a computer screen or attach it to a physical object, then scan it with the app. A distance of approximately 10 cm is required to initialize the Augmented Reality experience.

Deutsch

Öffnen Sie den Marker auf einem Bildschirm oder befestigen Sie ihn an einem Objekt. Scannen Sie ihn anschließend mit der App, um die Augmented Reality zu aktivieren. (Optional: Halten Sie dabei etwa 10 cm Abstand.)

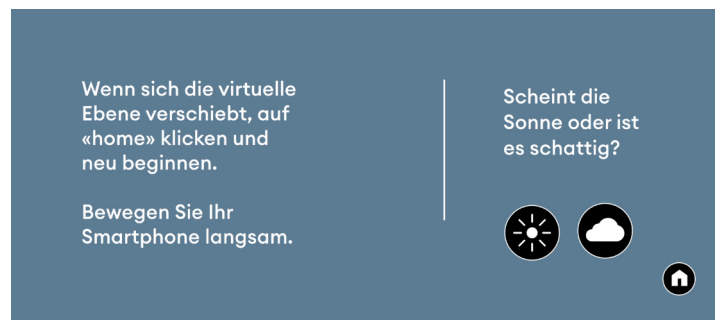

English: Tap "Start".

Deutsch: Tippen Sie auf „Starten“.

English: Select the appropriate lighting conditions.

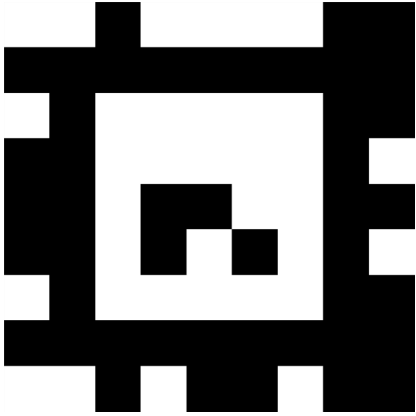

Deutsch: Wählen Sie die passenden Lichtverhältnisse aus.

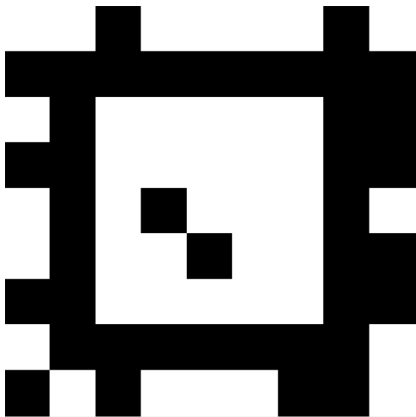

English: Point the camera at the AprilTag marker and wait until the loading bar is complete.

Deutsch: Richten Sie die Kamera auf den AprilTag-Marker und warten Sie, bis der Ladebalken vollständig ist.
